

HALMSTAD-GOTHENBURG BIKE TOUR

Cycle along the Kattegat route, Sweden's first national bike route.

With start in Halmstad you cycle in four stages along Sweden's picturesque West coast through charming fishing villages and small ports. The Kattegat route mostly follows the sea, travel through open countryside, exciting nature reserves and lush farmlands. As you draw closer to Gothenburg you will notice a shift in the landscape, with scenic cliffs, lush forests, sheltered bays and quaint harbours along the way. The culinary speciality of this region is seafood, which is the biggest celebrity on this bike tour. Discover the West coast and enjoy everything the region is so well-known for!

ITINERARY

DAY
1

Individual arrival to Halmstad

The small town at the Kattegatt route is a very popular holiday destination amongst Swedes. Worth seeing is the palace or the "Head of a woman", the sculpture and town's landmark has been created by famous sculptor Pablo Picasso. In the evening a welcome briefing and bike fitting (if booked) takes place.

DAY
2

Halmstad - Falkenberg | ca. 60 km

Today Sweden's most famous beach is awaiting you: Tylösand. Not only the beach but also the hotel of the same name is worth a visit. The trip continues north along the coast. The sea, open countryside, exciting nature reserves and lush farmland lies along the following stretch. You pass Ugglarp, a small coastal community with famous vegetable gardens and a nice seaside resort. The route leads you over beautiful Grimsholmen to Falkenberg, which is one of the oldest medieval towns in the region of Halland.

DAY
3

Falkenberg - Varberg | ca. 40 km

Look forward to picturesque fishing villages, artists and artisans along the route. In Träslövsläge you can feast on freshly cooked lobsters and stroll through the older parts of the city. As you approach Varberg the castle towers over you.

DAY
4

Varberg - Kungsbacka | ca. 60-75 km

North of Varberg the landscape changes - the sandy beaches are fewer and smaller, while rocky coastline starts to dominate and the first islands begin to appear in the sea. In Åsa you leave the sea for a moment to bike through farmland and rolling hills to Fjärås Bräcka. Take a break and enjoy the views of both the lake and the sea, and visit the Li burial ground with its more than 100 stone megaliths. Along fields and horse farms you will reach Kungsbacka finally, a cozy small town with impressive old city.

DAY
5**Kungsbacka - Göteborg** | ca. 40-65 km

You missed the sea? Thanks heaven it will accompany you again today. You will pass Vallda and Särö, the former playground of the ancient royal family and Gothenburg high society. Afterwards you will soon reach the old railway, now converted into a bike path just near the sea. Cliffs, lush forests, bays and marinas line your path into Gothenburg. Follow the harbor to enter Sweden's second largest city and enjoy your last overnight.

DAY
6**Individual departure or extension**

After breakfast your tour ends. We are happy to extend your holidays with extra nights.

Tour character

You cycle on well sign-posted bike paths and gravel roads as well as side roads with less traffic. Short sections are on roads with more traffic. Flat to slightly hilly tour course.
