## Individual arrival to Gothenburg

Take your time to discover Gothenburg with its exciting places of interest such as the Feskekôrka fish market or the Gothenburg Museum of Art and take a typical Swedish fika break (coffee and cake) in charming Haga district. Besides lovely cafés the area also offers a wonderful selection of small artisan shops. The city is also well-known for its local clothing brands and interior furnishing if you are looking for a souvenir to take home. End your day with the number one speciality from port city Gothenburg for dinner - shrimps, fresh fish, clams and oysters - the selection is huge and yummy!
